# Rules and Guidelines

1. Parade participants **must** send a representative to the **mandatory** pre-parade meeting.
  - 1a. No parade participants shall be under the influence of alcohol / drugs.
2. Absolutely **nothing** is to be thrown from the entry. This is a mandate of the Flagstaff Fire Department & Flagstaff Pride, due to the numerous safety factors for both participants and viewers of the parade. Items may be **handed** out by marchers walking next to the crowd.
3. All floats for each entry **must** have a minimum of one 2A10BC-type fire extinguisher (Fire Department requirement)
4. All floats are subject to inspection by the Flagstaff Fire and/or police departments. Entries deemed unsafe cannot participate.
5. All animal (**no horses**) entries **must** provide their own pooper scooper. Please keep in mind that the weather could be harsh. If you do have an animal in your entry, please make sure to include this in your application.
6. Please have all participants dress appropriately. (**No Nudity**).
7. Please provide a copy of these guidelines to all parade participants.
8. To provide a fantastic experience to spectators, you are required to keep moving at **all times!**. No stopping is allowed (unless needed)
9. Staging begins at 7:00 AM sharp and the parade begins promptly at 9:00AM. Staging occurs in a residential area. Music and loud noises in the staging area are **PROHIBITED!** After a sound-check, please turn off speakers and refrain from playing instruments, music, or sound making devices to respect the residents, until entering the parade area proper.
10. Only vehicles that are part of the parade entry may park in the staging area.
11. All entries are limited to (1) float, flatbed **or** commercial sized vehicle (that do not exceed the size restrictions) or (2) standard sized vehicles. Those that exceed this limit will need to pay another entry fee. **\*\*\*All commercial vehicles must provide Flagstaff Pride with a Certificate of Insurance - naming Flagstaff Pride as additional insured\*\*\***

12. Portable generators/compressors used on floats should be securely mounted. A twelve inch or more clearance must separate any part of the generator/compressor from combustible fabrication material. All fumes should be exhausted away from the float. Do not attach lights near the generator. Carry extra gasoline away from the float.

13. Allowing for expression of gender and pride that might not be rainbow. Float entries and participants are strongly encouraged to have rainbow and progressive colors; the more the merrier!

14. All float material must be flame retardant.

15. Floats cannot be more than 13 feet high, 8 feet wide or 35 feet long.

16. The use of music or appropriate noise is encouraged while proceeding in the parade; however, firecrackers, poppers, or similar devices are not permitted.

17. Forms of electricity which can be used include: gas generators, individual dry cell battery packs, car batteries converted to AC.

18. All wiring must be properly secured (use "U" nails) to prevent mechanical damage and injury to float riders. Use heavy duty extension cords that will not overheat.

19. All connections must be made with U.L. approved electrical boxes or devices.

20. In case of extremely inclement weather, the parade could be canceled or rescheduled. A telephone call to the contact person listed on your parade application will be made on June 14th if extreme weather conditions prohibit moving on with the event. That person is responsible for informing all others associated with that entry.

## Participant Waiver

In consideration of the use, enjoyment, and the accommodation of being allowed to participate as a participant, in Together We March Parade (applicant)\_\_\_\_\_, shall defend, indemnify, and hold, its' Officers and Flagstaff Pride employees (organizer) harmless from and against all actions, costs (including attorneys' fees and court costs), claims, losses, expenses, and/or damages sustained by participant attributable to organizers operations from any cause, including, without limitation by specification, property damage and/or injury or death to any person or persons.
